

AGENDA

Regional Codes Coordinating Committee

9:30 a.m., Friday, February 15, 2013

William J. Pitstick Executive Board Room

North Central Texas Council of Governments, CP II

1. **Summary of the January 9, 2013 Meeting.** The draft meeting summary for the January 9, 2013 meeting is available for your review and consideration.
2. **Presentation and Consideration of Advisory Board Recommendations for the Regional Code Amendments to the 2012 International Plumbing Code.** The Plumbing and Mechanical Advisory Board Chair and members will present key highlights of the proposed regional amendments to the 2012 IPC.
3. **Presentation and Consideration of Advisory Board Recommendations for the Regional Code Amendments to the 2012 International Mechanical Code.** The Plumbing and Mechanical Advisory Board Chair and members will present key highlights of the proposed regional amendments to the 2012 IMC.
4. **Presentation and Consideration of Advisory Board Recommendations for the Regional Code Amendments to the 2012 International Fuel Gas Code.** The Plumbing and Mechanical Advisory Board Chair and members will present key highlights of the proposed regional amendments to the 2012 IFGC.
5. **Consideration of Any 2012 International Building Code or International Residential Code Follow-up Items.** The Chair of the Building and Residential Advisory Board will present any follow-up coordination items regarding the IBC, IRC and other building codes.
6. **Discussion of FY13 Code Coordination Work Activities/Status and FY14 Work Scope Options and Funding Strategies.** NCTCOG staff will present a brief report on the status of FY13 efforts, and then the RCCC members will discuss potential work activities and funding options for FY14.
7. **Other business.** This time allows members and staff an opportunity to present additional code items and issues of regional interest.
8. **Determine next meeting date of the RCCC.** The next meeting of the RCCC is tentatively scheduled for April 2013. More specific details and an agenda will be sent in the near future.
